DETAILS:

The United White Party, founded at Knoxville, Tennessee, on November 10, 1957, became the National States Rights Party (NSRP) effective July 1, 1958. Its reported objectives were preservation of the white race, racial integrity, states rights, revised foreign policy, segregation and Christian principles.

"The Thunderbolt," official monthly publication of NSRP and its officials, constantly attack Negroes, Jews, and organizations and activities promoting integration.

Chicago National States Rights Party members maintain Post Office Box 6665 but a small local following is presently inactive. The local members generally follow the NSRP line of anti-semitism and they oppose the integration of Negroes.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

[] of New Jersey made the following comments on the above date. [] stated that his [] [] presently residing in Fairfax County, Virginia) had been in New Jersey this past weekend (June 10 and 11) visiting, and that her car was stolen on that Saturday morning. The car has not yet been recovered by the police.

b6

[] further stated that his driving privileges in the State of Virginia are to be revoked as of June 20 because of a wreck he recently had in Arlington County. He was notified of this by a letter from the DMV.

It was stated by [] (spelling?), a former NSRP secretary, had been murdered in Baltimore, Maryland. [] was said to have been 25 years of age and had served three months in jail for inciting riot charges in 1956. [] said that [] had disappeared two weeks ago Sunday and was not found until the following Thursday when someone complained because his car had been parked in one spot for those days. [] was supposedly found in the trunk of the car - shot twice in the head and once in the chest. Jerry said that this was a "syndicate-type murder".

b6

b7D

[] said that the JDL (Jewish Defense League) had made contact with him by phone. He said that a girl named [] had called him and that they spoke for half an hour. He stated that he knew that she was the JDL

secretary of Southern Philadelphia as soon as she gave him her name. He said that he has information that she is also a member of the YAF (Young Americans for Freedom). [] believes that he was the one that the JDL contacted because of his testimonies in Camden several years back against the communists. It was further stated that the girl had been authorized to bargain that if the Northern areas immediately surrounding Camden would cease their Jewish attacks or at least slack off, then Jewish money would be given to them for backing. [] stated that he didn't need their backing, but agreed to meet with a JDL group or with the girl personally.

b6
b7C
b7D

[] stated that he is attempting to phase himself out of the NSRP because of his plans to [] but that he would not just walk away and drop everything into the laps of the people that he had worked with for so long. He continued that this weekend there will be a meeting in either Reading or Pittsburgh and that a partial platform had been written up and will be presented. Chicago has now joined the Northern NSRP group, and it is hoped that in the near future Kentucky and Ohio will join them. Besides New Jersey, Pennsylvania, Maryland, and Chicago, the meeting will also be attended by Connecticut representatives.

Florida Klan Leader Stops FBI Plot

ALL INFORMATION CONTAINED

DATE 05-02-2011 BY UC 60322 LP/PJ/SZ

JOHN PAUL ROBERTS in his barber shop as seen through plate glass window. Note photo of Gov. Wallace on window. Jim Sellers, the linen supply man, interrupted their plans. He said, "they looked like they would have hurt him (Rogers) if I had not been there." Both Rogers and Sellers said they are willing to take lie-detector tests to back up their allegations. The FBI agents refused to take similar tests, then admitting their guilt.

Since the death of Edgar Hoover, patriotic leaders have found that FBI agents have stepped up their campaign of harassment. It seems deliberately designed to try and scare some to drop out of this fight for the preservation of our Race, Nation and Faith.

The new head of the FBI, L. Patrick Gray is decidedly to the left of the late Mr. Hoover. This is proved by his very statement, concerning the attempted assassination of Gov. George Wallace, to the effect that if certain politicians would only refrain from "setting group against group," such shootings not have happened. Apparently Mr. Gray meant that Gov. Wallace brought the shooting on himself because of his views against integration?

Mr. John Paul Rogers is the owner of a barber shop in Lake Wales, Fla. He is also Grand Dragon of the "United Klans in Florida." Your editor has interviewed Mr. Rogers and the following is his story which is corroborated by a reliable witness.

On Wednesday, May 17, a group of 3 FBI agents drove around and around the block in which Mr. Rogers barber shop is located. When they saw the last customer leave, they parked their car a block away, and walked to his shop. Then they barged in and announced to John Rogers that they were going to "search you and this shop." He asked to see their warrant and identification. They refused on which is a violation of procedure, and they never had any warrant in the first place. They ordered him to sit down while they searched the shop, he refused and FBI agent John Frey said: "Then we are going to have to handcuff you." Rogers had recognized Frey and a John Williams as two agents who have been busy harassing Klansmen in the Tampa — St. Petersburg area. Mr. Rogers reports that their favorite tactics in trying to hold down the Klan's membership is to question new members at their job. This is deliberately intended as clear intimidation, that if they don't quit the Klan, they will have trouble with their employer. A vicious and cruel trick that they never dare use on the radical revolutionaries of the Marxist left. The FBI is quick to "respect" the Leftists rights, but we poor White people are supposed to remain as docile sheep while the FBI does all within its power to destroy all opposition to communism in America. That is exactly what the end result is when they seek to intimidate fine White Christian Americans into surrendering their beliefs and giving up the fight.

This case in Lake Wales, Florida backfired on the FBI. While these three, "big, brave" FBI agents threatened Mr. Rogers, in walked our witness. He is an employee of the linen supply company which regularly services the barber shop. He overheard the vicious FBI men threaten to use a blackjack on Rogers if he didn't submit to the illegal search. Mr. Rogers then asked the witness to run out and find the local police because

police soon came running. The FBI agents then claimed that Rogers had threatened them! We can all imagine one unarmed man threatening 3 armed FBI agents. THIS IS AN OBVIOUS LIE!

FBI LAWBREAKER IN CASE

The FBI clearly was out to violate the rights of John Rogers in this case. If the witness had not walked in they might have been able to arrest him and make ty charge of threatening FBI agents stick. Also they had no search warrant. Tampa FBI head, Joseph Santoliana said they went to see Rogers on an "official investigative matter", only trouble is they never told Rogers what the "official matter" was.

Mr. Rogers tells us that he was manhandled, frisked and they pressed their finger down on the phone receiver when he attempted to call the police. They then interfered with his rights to have the protection of the local police. They even tried to order the witness out of the shop before Rogers could explain the trouble and send him running for the police.

Since the commission of this outrageous incident John Rogers has sought to obtain a warrant for assault against the 3 FBI agents. Lake Wales City Judge Joe Martin has stalled on the matter in obvious fear of challenging the power of the FBI. Nothing has been done to bring the FBI agents to justice for violating the rights of a patriotic White Klan leader.

At least a partial victory can be claimed in this case. It has resulted in a lot of local publicity. (Note enclosed article reprinted from The Tampa Tribune.) More patriots are now awake to the tricks the FBI uses to try and frighten our people into giving up this fight.

Considering the statement issued by the new FBI chief, Patrick Gray on Gov. Wallace, it is ironic that this incident occurred on the very same day that George Wallace was shot, May 17, and at about the same hour. Two simultaneous incidents where attempts to silence men of the Patriotic Right failed.

John Paul Rogers carries on the fight for the White people of America more dedicated than ever before. He is going to be on the ballot in September in the race for the School Board of Polk County. Rogers' stand is to stop busing at any cost. Perhaps that is why the FBI fears the effectiveness of a man like John Paul Rogers!

We asked Attorney J. B. Stoner to give us some advice on how to handle similar illegal intrusions by the FBI should the same happen to anyone else. Mr. Stoner says that first of all you should never allow FBI agents to come into your home. They always arrive in pairs (now threesomes) and can lie about what you tell them. Remember, it is a federal crime to give false information to the FBI. This means that they are the ones who might lie about what you said and get you into serious trouble.

Keep your front door screen

tell them you have nothing to say and to leave your property at once. Should they refuse, promptly lock your door and phone your local police to come and arrest them for trespassing after warning. To sum up Attorney Stoner's advice, don't let them in and don't answer their questions. Remember, the FBI are master at asking trick questions. They can gain the information they want, on you or a friend, without your realizing what they are trying to get out of you.

Of course, John Rogers operated a public place of business and he could not keep them out, but he followed the right track by ordering them out and calling for the police. The quicker you can find a witness and call the police the safer you are from this type of harassment. It seems that the FBI, since the death of J. Edgar Hoover, is becoming more like the secret communist police in Russia. Report to us any such intrusions upon your rights. This may be the making of a new pattern of police state tactics against the right of Christian patriots, whose only crime is that they love their God, Country and Constitution. If so, we will surely bring it before the committee of Sen. Sam Ervin of North Carolina. He has announced his sincere wishes to be informed of all such un-American activities. I know that he will listen to our case and act upon such charges. If you know of any cases of this nature, phone myself (Dr. Fields) at this number (404) 427-0283 in Marietta, Ga.

NATIONAL STATES RIGHTS PARTY (NSRP)

On October 3, 1972, a confidential source, who has furnished reliable information in the past, advised that a meeting of the NSRP would be held October 6, 1972 in Chicago with Doctor Edward R. Fields, National Officer, as the speaker. Source furnished a flyer which has been made a part of this memorandum.

A source has described the NSRP as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

On October 10, 1972, the above source advised that a NSRP meeting was held at Columbia Hall, 1700 West 48th Street, Chicago, on October 6, 1972.

About 30 to 35 persons attended the meeting and heard Doctor Edward Fields speak.

Fields stated that the white people were losing their jobs to the blacks and that the white people better "wake up" and get together before it is too late. Fields stressed "White Power" and was critical of black people.

Fields announced he planned to return to Chicago for a meeting possibly in December.

There were no incidents in connection with this meeting.

IMPORTANT CHICAGO MEETING

Dear Chicago NSRP Supporter:

The organizational activity of the National States Rights Party has greatly expanded since Attorney Stoner's strong showing in the recent election. Meetings have been held in Albuquerque, Phoenix, Los Angeles, Salt Lake City and Denver in the past two weeks.

The local Chicago leaders of the NSRP have over the past six months distributed more copies of THE THUNDERBOLT newspaper than has any other Chapter in the country. We are very proud of the hard work they have put into this effort to reach new people. Chicago is a key city in America and there are large number of folks here who basically believe as we do. It is up to us to get out into the streets and RECRUIT THEM INTO THE MOVEMENT!

After this meeting I will travel to St. Louis for an important meeting there with NSRP supporters. We have had much success in this area also. I plan on arriving early at our hall and staying late. I want to personally visit with you and answer any political questions you may have. This will be an important meeting for our local Chapter which will now be holding regular meetings. They want to meet you and I know that you will enjoy making friends with the outstanding leaders we now have in Chicago.

It will indeed be good to be back with all my old friends in Chicago and also meet our many new supporters who have just recently joined the fold. I have a message of inspiration for you that will give you new hope and faith in our inevitable victory. Plans for expanded activity in Chicago will be discussed. Looking forward to seeing you this Friday night, I remain:

Yours In The Cause

Dr. Edward R. Fields

SA [REDACTED]

[REDACTED] (PROB)

On 10/12/72, [REDACTED] (PROB) advised that a meeting of the National States Rights Party (NSRP) was held in Chicago on 10/6/72 at Columbia Hall, 1700 West 48th Street, Chicago.

Source stated that Dr. EDWARD FIELDS from the NSRP National Headquarters was the principal speaker.

The meeting started at approximately 7:30 p.m. and recognized in attendance were [REDACTED] and 25 to 30 other persons.

[REDACTED] believed to be a local NSRP organizer, told how the NSRP had passed out literature including "The Thunderbolt", in the Gage Park area of Chicago, including Kennedy High School where racial strife had occurred between students.

[REDACTED] introduced Dr. FIELDS who advised those present that the Negro was taking over the jobs of the white working man and that whites better get together before it's too late. FIELDS' talk was anti-black and to a lesser degree anti-Jewish. He stressed "White Power".

An unidentified high school student also spoke and told how he has spoken out in his sociology class about superiority of whites and his teacher said he was crazy.

The hat was passed and source noted a considerable sum in collections.

FIELDS announced that he planned to return to the Chicago area and there probably would be another NSRP meeting in December.

Fellow White Christian American:

Recently five members of our brave Youth Corps were arrested in North Riverside, Illinois and charged with interfering with traffic control devices because they allegedly placed "Communism is Jewish" stickers on stop signs.

The judge at the trial of three of the young men allowed a Christ-hating Jew representing the Anti-Defamation League of B'nai B'rith to address the court and the judge sentenced the youths to a fine of \$100.00 each plus one year probation.

On November 14, 1972 the other two members of the group face trial on the same charges.

We are forced to appeal to the membership of our chapter for financial help to aid these valuable, courageous young men.

Please help the party by helping these high school youths who have been victimized by this "jewdiciary." Send your donation with the coupon at the bottom of this letter.

Yours for God, race and country.

All receiving offices are receiving a copy of this letter since they have had NSRP activity in their divisions within the last year.

As a reminder to each receiving office, Atlanta points out that the Manual of Instructions, Section 122-A, 3b, now requires that each auxiliary office having an NSRP chapter active in its territory submit a report in this matter to reach the Bureau and Atlanta, as office of origin in the NSRP, by February 15, of each year. Atlanta, in turn, is required to submit an annual non-prosecutive summary report on the NSRP to reach the Bureau by March 15, of each year.

In order to facilitate Atlanta as office of origin in its preparation of the annual non-prosecutive summary report concerning the NSRP, each auxiliary office is requested to submit to Atlanta a succinct comprehensive summary of NSRP activities in its territory. This information should be submitted in insert form and should follow the format set forth in the Manual of Instructions, Section 122-A.

The material should be so organized that NSRP activity will be reported separately by state. This will allow Atlanta to organize NSRP activities by state and permit a more comprehensive picture.

Atlanta requests that each office furnish Atlanta only one copy of its insert with pages unnumbered, suitable for xeroxing. Atlanta will number the pages for the proper place in their report.

Each field office should take the necessary steps to obtain information required by the above mentioned section of the Manual of Instructions. Membership figures, actual or estimated, should be supported by its sources with the sources properly concealed where necessary. The identity of all concealed sources should be furnished to Atlanta for inclusion in the administrative pages of the report and this should be done by furnishing Atlanta with insert administrative pages with sufficient page numbers. T-symbols should be preceded by the authorized prefix.

ATLANTA DIVISION

AT ATLANTA, GEORGIA.

Will continue to follow and report national activities of the NSRP.

ADMINISTRATIVE:

For the information of receiving offices, Atlanta operates 2 informants and presently has a third informant under development in the NSRP, however, NSRP leaders Dr. EDWARD R. FIELDS and J. B. STONER are extremely tight-lipped with information. They seldom volunteer any information and keep much to themselves. They trust no one and therefore it is extremely difficult to confirm or deny any information regarding charters for new units and travel plans of these individuals. Receiving offices should keep this in mind when setting forth leads for Atlanta to confirm such information.

In the recent past articles have appeared in the "Thunderbolt", the official NSRP newspaper, critical of the FBI for its investigation of active members of the NSRP. During early February, Dr. EDWARD R. FIELDS wrote letters to Attorney

AT 157-4666

General RICHARD KLEINDENST, Acting FBI Director L. PATRICK GRAY III, and Senator SAM ERVIN of North Carolina complaining of FBI harassment of NSRP members. Receiving offices should be warned that when they contact and interview NSRP activists, these activists may report results of the interview to either FIELDS or STONER and quite possibly FIELDS and STONER will again write to officials in Washington complaining of such harassment. All offices should continue to actively investigate and interview NSRP members within their Divisions.

5

AT 157-4666

1. That the beautiful and inspired White race was created in the image of God.

2. It is our duty in life to uphold the traditions, heritage and culture of our forefathers.

3. We must honor and protect the dignity and sanctity of the family unit as the genetic basis for the continuation of the White Race.

4. Our loyalty is to our children and all power within us must be directed toward saving their minds from being corrupted by satanic race-mixing filth.

5. That the White Race is God's miracle on earth and must live forever.

6. White people share a common brotherhood with other Whites only.

7. We Whites are of One Blood, One Family and of One Race.

8. Our kind, our folk, our nation is one -- by Unity of race.

9. Preservation of Racial Purity is all, and to that principle our lives are dedicated.

E. Publications

The NSRP publishes a monthly newspaper "The Thunderbolt" available by subscription, mail order and on many newsstands.

"The Thunderbolt" continues to publish articles almost predominantly anti-Jewish and anti-Negro and critical of the Federal Government and especially the Federal Bureau of Investigation (FBI).

On April 30, 1972, J. B. STONER gave a speech at the NSRP meeting in Atlanta, Georgia. In his speech STONER detailed the position taken by his opponent in the race for the U. S. Senate from Georgia. He also attacked the Government and said he was against the United States becoming allied to Red China and Russia.

AT T-2
April 30, 1972

The May 5, 1972, issue of the Atlanta Journal, a daily newspaper published in Atlanta, Georgia, a story entitled "State Candidate Fee Law Killed" appeared. The story stated that a three-judge Federal panel declared unconstitutional Georgia law requiring qualifying fees of political candidates. Court ruling came in a lawsuit filed by J. B. STONER, Candidate of the NSRP for the U. S. Senate, who refused to pay the \$2,150 qualifying fee on the grounds it established standards of wealth for candidates. STONER stated that he could pay the fee but was unwilling to do so because he needed the funds to finance his campaign and that it would be embarrassing to file a pauper's affidavit.

On May 14, 1972, J. B. STONER appeared at the weekly meeting of the Covington, Kentucky, Chapter of the NSRP and gave an hour-long speech on "the Nigger and Jew problem in the U. S.", and President NIXON's policy of trading with Communist countries. He also encouraged "a united white racist front to combat these problems."

On June 25, 1972, Lieutenant [redacted] Fort Oglethorpe Police Department, Fort Oglethorpe, Georgia, advised that a political rally to promote the candidacy of J. B. STONER for U. S. Senate had been held the previous evening in Fort Oglethorpe, Georgia. STONER spoke about one hour. The speech was anti-Negro and anti-Semitic. He chastised many organizations, including the FBI and the Georgia State Patrol for hiring blacks and Jews. STONER also spoke out against the Federal Government attempting to desegregate schools by busing. He warned of the degradation of our society if the influx of blacks and Jews continued.

b6

In the August 3, 4, and 5, 1972, editions of the Atlanta Constitution, a daily newspaper published in Atlanta, Georgia, articles appeared dealing with the furor caused by the broadcast commercials for STONER which were being carried by television and radio stations in Atlanta, Macon, Augusta, Columbus, Albany, and Savannah, Georgia, as well as Chattanooga, Tennessee. In the commercial STONER used offensive language saying "the main reason Niggers want integration is because that Niggers want out white women. I am for law order. You can't have law and order and Niggers."

The news stories went on to relate that a petition had been filed with the Federal Communications Commission by the National Association for the Advancement of Colored People (NAACP) and the Anti-Defamation League (ADL). The petition charged that STONER's advertisements constituted a "clear and present danger" because of the likelihood of inciting racial violence if STONER's commercials were allowed to continue.

The August 3, 1972, issue of the Atlanta Journal carried a story entitled "FCC's Ruling Favors Stoner on Racist Ads!!". The story related that the FCC commercials in Washington, D. C., ruled that to deny STONER's broadcast time for his ads would be in violation of previous U. S. Supreme Court rulings and would amount to an infringement upon the First Amendment rights of the white supremacy candidate. In the furor raged over the commercial, the article went on to relate the Mayor, SAM MASSELL, had issued an executive order asking radio and television to stop carrying STONER's ads. The station said that they could not and that position was verified by the FCC.

AT 157-4666

On October 1, 1972, J. B. STONER appeared at NSRP meeting held in Denver, Colorado, STONER spoke for approximately two hours and talked about the philosophy of NSRP. Most of STONER's comments were directed against Jews and members of the Negro race.

II. ACTIVITIES BY STATES

A. Arkansas

NATIONAL STATES RIGHTS PARTY
LITTLE ROCK DIVISION

1. ORGANIZATIONAL STRUCTURE

A. HEADQUARTERS

NSRP in Arkansas centers around the efforts of NEUMAN BRITTON, "self-styled" Arkansas chairman. The NSRP has no fixed headquarters, owns no property, and pays no dues.

LR T-1 (9/22/72)
LR T-2 (12/20/72)

NEUMAN BRITTON continues active in NSRP affairs in Benton County, Arkansas, trying to organize a unit and trying to use this proposed unit as the headquarters for a future state organization. During the past year a meeting hall was completed on BRITTON's land near his home in Benton County. Frequent meetings have been held in this hall, with attendance at these meetings being both out of state residents and residents of north-west Arkansas. In the past years these meetings have been held in conjunction with religious services. Due to severe weather conditions, no meetings have been held during the past two to three months.

During the past year, ROY FRANCIS WAKE, former "self-proclaimed" Arkansas organizer of the NSRP, divorced BRITTON's daughter and moved from Arkansas, back to the Chicago, Illinois, area.

LR T-1 (1/)

2. CHARTER

KELLY BRYANT, Secretary of State, Arkansas State Capital, Little Rock, Arkansas, advised that the NSRP is not chartered in Arkansas.

No information has been developed regarding chartering of NSRP in Arkansas by the national office of NSRP.

3. IDENTITY OF OFFICERS

NEUMAN BRITTON, who resides in the small north-west Arkansas town of Decatur in Benton County, is the "self-proclaimed" Arkansas chairman. There exists no information to indicate that the NSRP has ever held elections in the State of Arkansas.

LR T-1 (12/20/72)

LR T-2 (9/22/72)

4. MEMBERSHIP

There exists in the State of Arkansas no state organization of the NSRP. Therefore, the state membership is zero. NEUMAN BRITTON, mentioned above, is a self-admitted member of the national organization of NSRP.

5. OBJECTIVES

Since the National States Rights Party (NSRP) is not chartered nor has it to date been formally organized in the State of Arkansas, the objectives of this organization are unknown concerning the State of Arkansas at this time.

6. ACTIVITIES

During the past year there have been no organizational activities on a state level, no state meetings, and no state rallies. There has been developed no information to indicate that the NSRP has, during the past year in Arkansas, engaged in acts of violence, terrorism, or intimidation, or in any acquisition of caches of weapons and explosives.

LR T-1 (12/20/72)

LR T-2 (9/22/72)

7. MISCELLANEOUS

There has been developed no information to date to indicate that the NSRP presently maintains a banking account in the State of Arkansas, has sources of income, or is publishing material in the State of Arkansas.

LA T-2 (1/24/72)

On January 6, 1972, Dr. EDWARD R. FIELDS, editor of "The Thunderbolt," Marietta, Georgia, advised they had "many members" in the Los Angeles, California, area but everything was so widespread that they had never, in recent years, had a really effective Chapter. He said he had not been able to accomplish much after all the trouble they had when he was in the Los Angeles area.

Torrance, California, Police Department
(6/16/72)

Records reflected the following information:

On March 26, 1972, the Torrance Police Department received a complaint that a possible rape attempt had occurred. The report was made by an airline stewardess who advised she became acquainted with CARL STOKES, ex-Mayor of Cleveland, Ohio, while on a flight from Cleveland to Los Angeles. STOKES asked her if she would take him to her apartment so he could get his friends to come and pick him up. They went to her apartment which was located in Torrance. She told the police that after arriving in the apartment, she felt she was going to be raped and began resisting his advances. She told police she ran out of the bedroom and telephoned a friend.

2

LA 105-5724

ANC/jlm

The records indicated that the physical appearance of the bedroom did not reveal that any violent confrontation had occurred in that room. The stewardess told the police she did not want any publicity in this matter and did not want any criminal prosecution. Later, on April 19, 1972, the stewardess told the Torrance police she had changed her mind and desired prosecution. She was interviewed by the South Bay District Attorney's Office, Torrance Branch, and on April 19, 1972, the District Attorney's Office rejected the complaint charging 220 Penal Code (Attempted Rape) feeling there was insufficient evidence upon which to successfully prosecute.

LA T-3 (6/16/72)

Investigation by the Torrance police with reference to the possible attempted rape had developed that no beating and no indecent acts had occurred.

LA T-4 (June, 1972)

Source advised that throwaways had been found on windshields of automobiles in parking lots in Torrance, California, on June 9, 1972. Source furnished a copy of the throwaways which indicated the source to be "THE THUNDERBOLT, INC.," Post Office Box 1211, Marietta, Georgia. Following are the contents of the throwaway:

Copies of the throwaway mentioned above had been left on cars at the Del Amo Shopping Center, Torrance, on the night of June 8 and 9, 1972. Source stated that based on his knowledge, about 30 or 40 of the throwaways had appeared. Source advised he did not know who left the throwaways and did not know of any persons in the Torrance area who were affiliated with the NSRP. Source advised that [redacted] who was referred to in the throwaways, was a Torrance Councilman and was an officer of the Los Angeles, California, Police Department.

Source, who has some knowledge of extremist activity in the Torrance area, advised he had no information as to who disseminated the above-mentioned throwaways.

[redacted]
Hawthorne, California
(6/19/72)

[redacted] when interviewed, advised he was aware that literature had been disseminated by the NSRP in connection with a matter in Torrance which involved the former Mayor of Cleveland, Ohio, [redacted] said he had not disseminated this literature and said he did not know who had done so.

LA T-2 (9/26/72)

The National Chairman of the NSRP, J. B. STONER, spoke on September 24, 1972, at the Masonic Hall, 248 East Olive, Burbank, California. Notices had been sent to all California members of the NSRP along with the monthly "personal newsletter." About 60 to 70 people were on hand when a Mrs. [redacted] (phonetic) of Pasadena, California, opened the meeting with a brief word about her trip to Georgia the past summer. She said she had been present at a STONER rally and was thrilled by the reaction of the crowd.

20

LA 105-5724
ANC/jlm

She mentioned the starting of monthly NSRP meetings in the Southland. She indicated those who wanted to join the NSRP or come to a meeting should talk to her daughter who was present.

J. B. STONER spoke for about 95 minutes. He charged that "Jews and Black savages have their groups so why can't the white man have a group like the NSRP." STONER stated that "Jews were the first to send bombs by mail -- in the late 40s." He stated the back to Africa policy of the NSRP could and would be tried when the NSRP came to power. He said nothing about future NSRP plans or goals beyond coming to power in the future. He talked about last month's Georgia election and admitted that an election was about the NSRP's best publicity promotion. He admitted that the NSRP was able to distribute literature, make speeches and make television statements that would have resulted in his being arrested if it were not that he was a candidate for election.

A collection was taken and source estimated that \$100 to \$150 was donated. Among those in attendance at the meeting was [redacted]

Source further advised that after the meeting, Mrs. [redacted] said that Dr. FIELDS had forwarded the NSRP membership list to her and she had visited about 200 people in their homes recently in an effort to start some NSRP activity in the Southland. She said some of the names turned out to be "Jews and niggers." Source advised that it appeared Mrs. [redacted] had held one or two monthly meetings.

Source advised that STONER had driven in from Phoenix, Arizona, and he was leaving for Salt Lake City, Utah, on September 25 or 26, 1972.

LA T-2 (11/3/72)

Source advised that Mrs. [redacted] also known as Mrs. [redacted] Pasadena, California, advised in October, 1972, that they should be having a local meeting in two or three weeks. She said she would like to see a good group get started in Southern California. She said "there are so few of us."

Source advised that Mrs. [] had secured a meeting hall for December 3, 1972, in Glendale, California, and she was going to send out notices of the meeting. According to her, she had contacted 400 to 500 people in recent months from the NSRP Southern California mailing list. Source was inclined to be doubtful of this as it was highly unlikely the NSRP had that many members or "Thunderbolt" subscribers in the area and because it would appear impossible to have her to visit so many people personally.

Mrs. [] said that a NSRP member had made some wild statements at an NSRP meeting in Anaheim, California, in June, 1970. According to Mrs. [] the NSRP member related some wild plan that would involve the distribution of poison jello free in black sections of Los Angeles. Mrs. [] said that another person present at that meeting who heard this had reported the incident and testified in court against the NSRP member.

JACKSON, MISSISSIPPI

J.B. STONER, NATIONAL CHAIRMAN OF THE NATIONAL STATES RIGHTS PARTY, WILL BE HOLDING A PRESS CONFERENCE SEPTEMBER 16, AT 2:00 P.M. AT THE HOLIDAY INN SOUTHWEST IN JACKSON. HIS STATEMENTS WILL BE CENTERED ON THE PRESENT MIDDLE EAST CRISIS AND IS EXPECTED TO BLAST BOTH NIXON AND MCGOVERN FOR COURTING ISRAEL TO BOLSTER THEIR FINANCIAL SUPPORT FROM WEALTHY AMERICAN JEWS.

STONER, WHO WILL BE SPEAKING AT A NATIONAL STATES RIGHTS PARTY RALLY SATURDAY EVENING, SAYS HIS NEWS CONFERENCE WILL BE AIDED AT INFORMING WHITE CITIZENS OF THE MIDDLE EAST EXAMPLE OF WHAT JEWS DO WHEN ALLOWED TO HOLD POWER.

STONER FEELS THAT IF WE ALLOW THE JEWS TO ROB AND MURDER INNOCENT ARABS TO MAINTAIN THE BANDIT STATE OF ISRAEL, WE WILL BE OBSERVING A PRACTICE RUN OF JEW OPERATIONS IN AMERICA.

THE NATIONAL STATES RIGHTS PARTY HAS LONG OPPOSED THE AMERICAN SUPPORT OF ISRAEL. HE FEELS THAT WHITE CHRISTIAN AMERICANS ARE BEING BILKED OF BILLIONS OF DOLLARS ANNUALLY TO FINANCE THE MURDER OF THE VICTIMIZED CHRISTIAN AND MUSLIM ARABS.

STONER FEELS THAT THE JEWS ARE USING A DIFFERENT STRATEGY HERE IN AMERICA BY USING THE JEW CONTROLLED N.A.A.C.P. TO FORCE RACE MIXING THUS LOWER OUR GENETIC STRENGTH AND CAUSING WHITES TO FIGHT ONE ANOTHER OVER THE RACIAL QUESTION.

THE FACT STONER STATES IS AMERICA HAS BEEN QUIBBLING OVER SEVERAL ISSUES WHICH HAVE NOTHING TO DO WITH OUR REAL DOMESTIC PROBLEM IN AMERICA.

HE SITES THE SO CALLED LAW AND ORDER ISSUE AS HIS MAIN EXAMPLES, HE CLAIMS LAW AND ORDER IS A RACIAL ISSUE, STONER IS QUOTED AS SAYING IN HIS RECENT GEORGIA CAMPAIGN, "YOU CAN'T HAVE LAW AND ORDER AND NIGGERS TOO."

THE NATIONAL STATES RIGHTS PARTY BOASTS MEMBERS AND CHAPTERS IN ALL FIFTY STATES. ITS OFFICIAL NEWSPAPER THE THUNDERBOLT IS PUBLISHED BY ITS EDITOR DR. E.R. FIELDS AT N.S.R.P. HEADQUARTERS IN MARIETTA, GEORGIA.

ACCORDING TO THE THUNDERBOLT, MR. STONER, AN ATLANTA ATTORNEY, WILL BE MAKING JACKSON HIS FIRST STOP IN A NATIONWIDE TOUR THROUGH MISSISSIPPI, TEXAS, CALIFORNIA, AND THEN THROUGH THE NORTHERN STATES.

STONER WHEN QUESTIONED ABOUT THE N.S.R.P. BEING A NAZI FRONT ORGANIZATION STATED THAT HITLER WAS TOO MODERATE AND BELIEVES THAT ALL WHITE CHRISTIANS MUST UNITE TO TREAT THE RACE MIXING JEWS WHO KILLED CHRIST.

On May 22, 1972, a source advised that a National States Rights Party (NSRP) branch located at 224 Oak Street, Dayton, Ohio, is affiliated with the parent organization with national headquarters at Marietta, Georgia.

HEADQUARTERS

The owner of past headquarters of the Dayton, Ohio Chapter of the NSRP sold this building sometime during August or early September, 1972, and it is reported that [] current recognized Local Leader, will hold future meetings at his residence, Fourth and Henry Street, Dayton, Ohio, until a new headquarters location can be rented.

OFFICERS

Currently, the only recognized officer of the local chapter is [] who holds title as Local Chairman, which situation resulted through the resignation of [] past leader of Dayton, Ohio Chapter,

who also held position of National Organizer. Source explained that [] announced his original intention of resigning on March 12, 1972, during a local meeting, which greatly surprised everyone. [] stated he was going to completely disassociate himself from the group locally, complaining that the NSRP was taking too much of his time from his family, especially since he was working 48 hours a week on his regular job. In addition at this meeting, [] also expressed dissatisfaction with the local membership, stating that they do not appreciate the diligent efforts he put forth for the group in the chapter.

The above announced resignation of [] was confirmed during May, 1972, when it was secretly determined that J. B. STONER, National Chairman and Spokesman for the NSRP, pressured [] to resign quietly after a clandestine investigation on his part determined that [] might have embezzled NSRP funds in recent months and misappropriated these funds for his own use.

Source advised the Dayton, Ohio Chapter of the NSRP normally meets regularly every other Sunday afternoon at which time ten (10) to twenty-two (22) individuals attend each meeting. However, in the recent three (3) to six (6) months, due to the fact that they lost their headquarters location, several meetings had to be cancelled because of non-specific pre-arranged meeting schedules. The last organized meeting was held October 8, 1972, at a temporary location identified as the K-P Hall, Factory Road, Dayton, Ohio. The meeting scheduled for October 29, 1972, was cancelled when it was learned that this K-P Hall would no longer be available to the group.

FINANCES

The Dayton, Ohio NSRP Chapter continues to maintain an account at the Farmers and Merchants Bank, Miamisburg, Ohio, and it is currently estimated that there are little or no funds remaining in this account. There was a reported rumor that this account may be closed and shifted to an unidentified bank at New Carlisle, Ohio; but to date, this action has not taken place.

Approximately forty five dollars (\$45) to seventy dollars (\$70) is collected in the form of donations from members attending each meeting; however, in most recent meetings, [] has been strongly pressuring attending members to donate additional funds since their financial status is considered bleak.

ACTIVITIES

In the past year, the Dayton, Ohio Chapter of the NSRP has held regularly scheduled meetings until early September, 1972, at their regular headquarters at 224 Oak Street, Dayton, Ohio. Since September, 1972, as a result of their headquarters building being sold by the owner, meetings have been held on an irregular basis and several, which had been scheduled, were cancelled at the last minute for such reasons as follows:

- 1) No available meeting place
- 2) Lack of interest on part of members
- 3) Fact that [] failed to show up to lead the meetings

b6

Up until September, 1972, when regular meetings were held, speeches were usually held condemning national bussing policies, criticism of Negroes, Jews, and the Communist conspiracy in this country and their progress in taking over the United States Government.

He otherwise made the same old type speech, criticizing Communism in the United States Government and criticizing the Federal Bureau of Investigation for their interference with such groups as his organization.

FIELDS reportedly was on a three (3) state visit over weekend of December 9, 1972.

A meeting was held on January 28, 1973, at the K-P Hall, Dayton, Ohio, with approximately sixteen (16) individuals present. J. B. STONER, National Chairman, NSRP, was the featured speaker at this meeting. It was learned that STONER had made a speech the day before at an NSRP meeting held at Covington, Kentucky. STONER, as usual, made a rambling speech which consisted of criticizing Communists and Jews operating within the United States Government; and specifically, he criticized the recent United States Wheat Export Deal with Russia, pointing out that this was no more than an excuse for a

October 10, 1972)

On October 18, 1972, the Atlanta Division advised that an article appeared on Page 9 of the October, 1972, issue of the "Thunderbolt," official newspaper of the NSRP, entitled, "Fighting Connie Lynch is Dead." This article, written by NSRP National Chairman J. B. STONER, related that LYNCH died of a heart attack in Jacksonville, Florida, on September 30, 1972.

(DL T-3, 1/22/73)

II. PERTINENT ORGANIZATIONAL ACTIVITY

A meeting was held March 28, 1972, in the Texas Room of the Baker Hotel, Dallas, Texas. Dr. EDWARD R. FIELDS, Editor and Publisher of the "Thunderbolt", an NSRP publication, spoke for approximately 35 minutes to the 35 persons in attendance. Dr. FIELDS' speech concerned the issue of race, and he stated that he and the NSRP were not only against bussing, but against integration of the white and black races. He said the blacks are down-breeding the whites, and there was a danger that there would be no more white race. He indicated that it would be better for the United States to be destroyed by a nuclear bomb than to have inter-racial breeding. There were no incidents, arrests, injuries, or property damage.

(DL T-1, 3/28/72)

In the first part of March, 1972, [redacted] and [redacted] white males residing in Kilgore, Texas, and members of the United Klans of America (UKA), distributed approximately 500 copies of the "Thunderbolt" in Tyler, Texas. [redacted] both claim membership in the NSRP, in addition to their UKA membership.

I. ORGANIZATIONAL STRUCTURE

A. State Officers

On February 9, 1973, RH T-1 advised that [redacted] Richmond, Virginia, continues as the "State Organizer" for the National States Rights Party (NSRP) for Virginia. RH T-1 further advised that there is no other organizational structure in Virginia insofar as NSRP officers are concerned.

On March 24, 1972, RH T-2 advised that [redacted] flew to Jacksonville, Florida for an executive meeting of the NSRP.

On August 22, 1972, RH T-1 advised that on August 19, 1972, [redacted] flew from Richmond to Atlanta, Georgia and then to Jackson, Mississippi. The purpose of this trip was to help organize a new NSRP chapter in Jackson.

On January 26, 1973, RH T-3 advised that [redacted] attended an anti-busing rally in Jacksonville, Florida and that [redacted] was the main speaker at this rally, directing his remarks to non-violent means to resist busing of school children.

B. Organization and Recruiting Activity

On March 17, 1972, RH T-2 advised that Dr. E. R. FIELDS, National NSRP Officer, had told [redacted] that there would be an official NSRP Headquarters opened in Richmond, Virginia, within a year and that [redacted] would be in charge of that office.

It should be noted that no such headquarters has been opened.

On February 17, 1972, RH T-2 advised that in an effort to publicize the NSRP cause in Richmond and to recruit new members, [redacted] distributed NSRP literature to people in Richmond, Virginia as they waited to begin an anti-busing motorcade to Washington, D. C. RH T-2 stated that the NSRP had nothing to do with the actual motorcade itself.

On March 8, 1972, RH T-2 advised that at a NSRP meeting held at "Skinny's", the tavern owned by [redacted] Richmond, it was announced that a NSRP Youth Corps would be established within Virginia.

b6
b7C

On February 9, 1973, RH T-1 advised that there has never been a Youth Corps established in Virginia and the lack of the young members obviates the establishment of such a group.

On April 8, 1972, RH T-2 advised that [redacted] and three local NSRP members handed out NSRP literature at the Southside Plaza Shopping Center on that date. There were no incidents related to this literature handout and apparently no applications resulted from it.

On February 9, 1973, RH T-1 advised that the Darbytown 77 Club, a former United Klans of America, Incorporated, Knights of the Ku Klux Klan (UKA) Unit, is made up of approximately six to eight individuals who consider themselves NSRP members. RH T-1 advised that the Darbytown 77 Club has never elected officers nor does it maintain a treasury balance, but exists mainly as a social club. The Darbytown 77 Club has never sponsored a NSRP activity. RH T-1 advised that this club would constitute the closest thing to a NSRP unit that exists in Virginia. RH T-1 also advised that "Skinny's" also serves as a meeting place for persons interested in the NSRP in Richmond, but that there has never been any formal structure among these people and the meetings are merely "bull" sessions.

II. ACTIVITIES OF LOCAL CHAPTER

On March 25, 1972, and on April 1, 1972, RH T-1 advised that the NSRP in Richmond sponsored motorcades to protest busing of school children to achieve desegregation. RH T-1 stated that these motorcades were organized by [redacted] and consisted of four cars on each occasion. Because of the lack of interest shown, [redacted] discontinued the motorcades after two weeks, after stating that the motorcades would be held every weekend.

On June 11, 1972, RH T-1 advised that the NSRP sponsored a public rally on that date at the Chesterfield County, Virginia fairgrounds. The two speakers were [redacted] and Dr. E. R. FIELDS, and both of them directed their speeches against the NAACP and the Jewish race. Approximately 70 people attended this rally and there were no incidents.

b6
b7C

On February 9, 1973, RH T-1 stated that the members of the Darbytown 77 Club continue to meet on a weekly basis at the small cement block building on Acton Lane and Darbytown Road in Henrico County, Virginia. RH T-1 advised that there has been no NSRP business conducted at these meetings in several months and that the members generally get together only to drink beer and shoot pool.

III. FINANCES

On March 28, 1972, RH T-2 advised that [REDACTED] had stated that he had spent a total of \$1,300.00 on NSRP activity since August, 1970.

b6
b7C

On February 9, 1973, RH T-1 advised that the NSRP does not maintain a bank account in the Richmond area nor does the Darbytown 77 Club have any kind of financial structure.

RH T-1 advised that there have been no advertisements taken out in the Richmond newspapers concerning the NSRP nor have there been any newspaper articles written concerning the NSRP in Richmond.

NORTHERN VIRGINIA AREA

1. ORGANIZATION

There is no chapter of the National States Rights Party (NSRP) operating or established in the Northern Virginia area. Previously, [redacted] of Arlington, Virginia, reportedly had a charter from NSRP headquarters to establish such a chapter but did not do so during 1972. He is not regarded as a capable leader and would be ineffective in trying to establish such an organization. There were reports that some discussion among NSRP officials had been held about trying to get an individual named [redacted] of Alexandria, Virginia, to take over leadership in the area and establish such a chapter in the Northern Virginia area. Reportedly these NSRP officials, possibly including J. B. STONER and Dr. E. R. FIELDS of the National Office, as well as possibly [redacted] NSRP organizer, of Richmond, Virginia, were involved in these discussions and the NSRP allegedly felt a chapter in the Northern Virginia area or in the Washington, D.C., area could develop into being a very active and effective chapter. However, nothing ever came of the matter and no NSRP chapter exists in the Northern Virginia area to this date.

F.B.I. Does Not Harass C. L. Morrisette

FBI HARASSING RIGHT-WING

The FBI has been using some new techniques in harassing patriots since L. Patrick Gray took over as Director. It is interesting that the FBI never bothers those of the left wing who are trying to destroy our nation's freedoms and liberties. The Jewish Anti-Defamation League (ADL) or the NAACP, CORE, SCLC, etc., are never bothered by the FBI.

Several reports have reached this office recently from Christian conservative leaders who have been harassed by the FBI. The new technique involves anonymous telephone calls asking strange questions. Sometimes they brag that they support the negro cause. Later this is followed by an FBI agent's visit. Despite the fact that the Patriot has done no wrong, outside of supporting the preservation of his race and

nation, the FBI agents still try and instill the feeling within him that he is being "watched" by "Big Brother" — the FBI.

Some agents recently went to visit C. L. Morrisette, an NSRP leader in Virginia. They must have felt a bit uneasy about visiting this hard hitting NSRP leader because they sent four men along. They didn't get much of an opportunity to quiz Mr. Morrisette because he has quite a powerful voice and they received a strong lecture. It is interesting to note their mental ability — all one agent could mutter was, "But, aren't the Jews God's Chosen People?"

Nevertheless the FBI has succeeded in frightening some sincere folks into having their telephone numbers unlisted and ceasing their good work for the cause. The best advice we can give RIGHT WING LEAD-

ERS is to ignore the FBI. Do not allow them into your home. There is no law that requires you to answer any of their questions. As soon as they identify themselves as members of "The Federal Bureau of Integration" tell them you have nothing to say and to get off your property. Then slam the door in their faces. If they do not move quickly (they always do), you then have the right to phone your local police and have them arrested and put in jail for trespassing (which is where they belong.)

Anytime any right wing leaders are pestered by these pests, phone this editor or Attorney J. B. Stoner. We will be only too happy to give you any further advice that you might be able to use. We must stand up and let the secret police boys in Washington know that we are not going to be intimidated or hushed up by their bumbling goons.

NSRP VIRGINIA ORGANIZER C. L. Morrisette left signing up new member in his restaurant. Mr. Morrisette is a leader who insists on law and order.

Fields of NSRP headquarters spoke and [REDACTED] was designated by Fields to be in charge of the NSRP in Indiana. In conversations with Fields, [REDACTED] asked about the American White Nationalist Party (AWNPP) which had recently been formed in Ohio. Fields replied that this organization was started by the [REDACTED] brothers who used to be associated with the Klan. Fields stated that these individuals were all right, but that they had been misled, probably by the FBI, and he predicted that they would return to the NSRP fold. Fields was of the opinion that [REDACTED] had also been misled. Fields also told [REDACTED] that he was to pick up Minutemen leader Bob DePugh on the evening of 4/30/73, have dinner with him, and take him to the airport so DePugh could fly to Kansas City.

STATEMENT OF INTERVIEW OR INFORMATION

On Sunday, May 20, 1973, at 3:30 p.m., the subject held a meeting at Columbia Hall, 1700 West 48th Street. At 3:55 p.m., the meeting was called to order by [REDACTED] white male, a vice-chairman, who was flanked by two uniformed male white members of the group. The two were dressed in white shirts, black ties and black trousers. The white shirts had a red colored thunderbolt insignia over the left shirt pocket, and the American Flag on the left shoulder sleeve. There were 41 persons present consisting of 31 men and 10 women.

[REDACTED] then stated that because of the illness of the scheduled speaker, [REDACTED] white male, that he had driven from Kentucky to be the speaker. He then began by speaking out against the Negroes, Jews and the Communists. He talked about the grain being sold to Russia, and the high costs of food, and that all big business is controlled by Jews. He further stated that the Negroes are getting everything on welfare and the Jews want it that way so they can control the votes. He also stated that the Jews have been linked with the Communists all through history, and even today [REDACTED] of Russia and STALIN before him have raised their children Jewish. He further stated that all the atomic spies except one were Jewish. Also that the narcotics are being brought into white schools by Negroes, and that while MARTIN LUTHER KING, Jr., male Negro, was hiding behind the coat of civil rights, he created the burning of our cities and left violence in the streets all across America. The subject is sponsoring a program to send Negroes back to Africa and other nations. They are also recruiting members across the nation to build a strong organization for the white man to regain control of society.

Gentlemen:

I found the enclosed material stuffed in my mailbox last Sunday, July 1, and have since learned that other people in the neighborhood were also recipients. I am appalled by the viciousness of these accusations against the Jewish people and finally decided to send the documents to the FBI to let you know, if you are not already aware, that they are being distributed in this area. I don't know if "Joseph Dilys", "Western Front", and "National States Rights Party" actually exist - the FBI undoubtedly does - but, in any event, someone somewhere is currently engaged in printing and surreptitiously disseminating this filthy propaganda.

As far as I am concerned, this is no crusade against Communism. If anything, it assists in furthering the aims of Communists by creating an atmosphere of fear and hatred - the well known tactic of "divide and conquer."

Very truly yours.

P. O. Box 173
Willow Springs, Ill. 60480

"WESTERN FRONT", P.O.Box 27854,
Hollywood, Ca. 90027. No. 55, p. 4

This gentleman, Mr. Joseph Dilys of 3607 S. Union Ave. Chicago, Ill. 60609, may be seen daily on the N.W. corner of State and Madison in Chicago, health and weather permitting. He sells patriotic literature.

Mr. Dilys was born in 1903 in Lithuania and having been educated in forestry work, it was most natural that he found his place in State Forestry where he worked for 18 years. War between Germany and Russia changed his whole life and it was his knowledge of the forest that changed what appeared to be Communist arrest and undoubtedly the death penalty because he had shot a Communist police when they attempted to arrest him - as they occupied his country of Lithuania.

In June of 1941 Hitler's Army invaded Lithuania and Dilys found himself fighting against International Socialism /Communism/, and National Socialism /Hitlerism/, until the Gestapo /Secret Police/ forced Dilys to go underground in 1942. 1944 the Communists caught up with him and he carries two evident scars to prove it. A bullet pierced his chest over the heart and while convalescing in a hospital his whereabouts was kept secret. When Mr. Dilys returned to his home, the Communist underground made another attempt to destroy him. They shot him in the head, the left cheek and machine-gunned his left leg. Neighbors gave him every assistance possible and within a few months he escaped to Germany. Dec. 15, 1944 his badly wounded leg was amputated about four inches above the knee. After two years in hospital with wounded German soldiers - he was released to face a new world - with a new wooden leg in 1946. Mr. Dilys said that he lived freely in Germany until 1951 at which time his friends in America arranged transportation and he settled in Rochester, N.Y. for a while. His deep desire to learn all about Communism was instrumental in his settling in Chicago. He practically lived in American libraries in all his spare time gathering his wealth of information. He tells how in 1958 he found the informative paper "Common Sense" - later he discovered "The Cross and the Flag", informative writings of Einar Aberg of Norrviken, Sweden and within the last few years "Western Front" which he praises most highly. In acquiring his education about Communism he contacted about 60 different organizations and he reports that his best support in Chicago are the Police. His biggest enemies are Rabbis and Lithuanian Churchmen. He speaks four languages: Lithuanian, German, Russian and English.

I stood alongside Joseph Dilys on the corner of State and Madison in Chicago for two and one half hours. I witnessed some of the many insults hurled at him by men and women. This kind of "patriotism" takes real courage but Joseph Dilys is a REAL PATRIOT and as he sells his conservative right-wing literature for 25¢ he is convinced that he is accomplishing something - he is educating and alerting the people to the real danger of COMMUNISM. I salute him! What he is doing requires "guts".

It is very obvious that J. Dilys is not distributing this honest, revealing type of literature for profit. He sells and gives away all printed material which exposes the enemies of Christ and America.

I heard them call him "dirty Hitler" - "stinking Communist" - "dirty pig" - "you should be in jail" - "we'll get your kind into a concentration

camp" - etc. etc. and much which I cannot print. I watched^{heard} a man with two small boys say, "this is the man who creates and prints stories about people like us so that you will be killed when you're a little older", while he vehemently pointed closely to J. Dilys. His additional filthy insults I am unable to print. It was obvious he and the boys were Jews.

They have spit in his face and on his clothing. One man struck him so Mr. Dilys in self defense struck back with his only weapon - a cane without which he cannot walk. Said cane is presently mended in two places with tape - and despite the almost unbelievable threats and insults Mr. Joseph Dilys carries on.

I wish that I might have had more time while visiting Chicago where I spoke on the evening of June 14, 1970. I would have possibly arranged to pay this man "public tribute" on the corner of State and Madison. Perhaps those of you who live in the area may follow up with this suggestion. He is deserving of MORE than anything you can do but please do something in honor of this courageous patriot who recognized the true value of freedom.

During my two and one half hours with Mr. Dilys on this busy street corner I witnessed passing to and fro the dregs of mankind. I don't know where they all came from but the street of downtown Chicago I hope are not representative of the streets of America - and I say this with all respect to the residents of this once great city.

Communism Is Rabbinic

EINAR ABERG, Norrviken, Sweden.

"If you do not exclude them from the United States in this constitution, in less than two hundred years, they will have swarmed here, in such great numbers that they will dominate and devour the land; change our form of government for which we Americans have shed our blood, given our lives, our substance, jeopardized our liberty, and put into it our best thoughts.

"Gentlemen, Jews are Asiatics. Let them be born where they will, or how many generations they are away from Asia, and they will never be otherwise. Their ideas do not conform to an American's, even though they live among us ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitution."

The Jewish Transcript of Seattle, Washington, under date of May 29, 1936, admits that "the Communists are Jewish controlled," therefore it would be fitting to quote Karl Marx (Mordecai), the Jewish founder of both Socialism and Communism when he says:

"It is in vain we look for a key to the labyrinth of the Jewish soul in his religion. On the contrary, one must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? A practical passion and greed of profit. To what can we reduce its religious worship? To extortion. Who is their real God? Cash!"

Such Jewish leaders as James Waterman Wise have challenged the American Jewish Committee to disprove that 85 per cent of all Jews are not Communists.

Henry Ford, American automobile manufacturer, says: "Corral fifty of the world's wealthiest Jews and there will be no more wars."

From authoritative sources we find, that President Roosevelt (has seventy-two advisers around him of which fifty-two of them are Jews, and to make matters worse, most of them are foreign born.

From other reliable sources we learn that more than 62 per cent of all the real estate, industrial plants, natural resources, and banks in the United States are either controlled by or owned outright by Jews. Of course the motion picture business and the clothing industry and a few others are owned and controlled exclusively by Jews.

We have letters and copyrighted newspaper syndicated articles on file that show that all important legislation passed by the congress of the United States in the last few years was written by Jews, such as Thomas

Go Coreoran and Benjamin Cohen do not mention the vast amount of similarly corrupt legislation in almost every state in the Union.

The New York Yiddish Daily, "Der Tag," in an editorial on April 9, 1936, states: "The Jews of America, because of their NUMBERS, interest and ability, constitute a GREAT POLITICAL FORCE. They have not usurped this power; it BELONGS to them as of right! They are going to exercise it as THEY see fit! What are YOU going to do about it?"

The Red Network, a Who's Who and Hand Book, by Elizabeth Dilling, lists more than 600 Jewish Communist subversive organizations at work in the United States.

And so we might go on and on from a library of information, to show that the American people have misplaced their confidence, when they trusted the Jews.

WE ARE CHALLENGING RABBI STEPHEN S. WISE, SAMUEL UNTERMYER, JUSTICE LOUIS D. BRANDEIS, JUSTICE B. N. CARDOZO, FELIX FRANKFURTER, BERNARD M. BA- RUCH, EDDIE CANTOR, ALFRED M. COHEN, OR ANY RABBI OR RECOGNIZED JEWISH AUTHORITY TO DISPROVE ANY STATEMENT CONTAINED IN THIS PAMPHLET.

Let the American patriots rise up as one man, and declare to all men everywhere, we shall enact the laws that Benjamin Franklin proposed. We shall protect the American Constitutional form of government against all comers. We shall clean house politically and economically immediately. Let them adopt the immortal words, "United we shall stand, but divided we shall fall!"

WILL YOU HELP IN THIS CRUSADE TO END ALL DEPRESSIONS, UNEMPLOYMENT, BOLSHEVISM, AND STARVATION? THIS WILL BE THE LAND OF THE FREE AS LONG AS IT REMAINS THE HOME OF THE BRAVE.

The Truth is Stranger than Fiction!

THERE is an old saying that "a guilty conscience needs no accuser." We have wondered for a long time if that is the reason the Jew cries "religious persecutions," every time he is found guilty of any one of a number of different crimes that makes him conspicuous in the public eye.

From the Jewish religious law books, the Talmud, a set of books larger than the Encyclopedia Britannica, we have gleaned a few verses for our consideration. These passages have been translated from the original Hebrew by the courts of France, causing the King of France to order all copies of the Talmud to be burned in 1489; and used by the government of Germany to convict the Jews of sabotage; and in the United States many Jewish spokesmen, such as Marcus Eli Ravage, Arthur U. Michelson and others, have attested to the truth that these writings are part of the law of the Jewish Synagogue.

There are several branches of Jewry such as the Orthodox, Reform, Liberal, Conservative, Sephardim, Ash-Kanazim, Zionist, etc., but they all use the same religious books in

their synagogues, just as all the different branches of Christians use the same Bible.

We suggest you keep one question in mind all during the reading of this bit of historical testimony: Is this the reason the Jews have been disliked and driven out of every nation that ever existed down to the present time?

NOTE: There are several words that need explaining in order that the reader may get the full meaning of these writings.

TALMUD: The collection of Jewish civil and canonical laws. The final authority in deciding any matter relative to the conduct of the Jews.

TORAH: The Jewish tradition and instruction or decisions, given by the priests or Rabbis as divine revelation. The first five books of the Old Testament of the Christian Bible.

GOY: All non-Jews.

GOYIM: Plural for goy.

Every quotation is accompanied by the chapter and verse or the page of the book from which it was taken.

2. "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses."—*Rabbi Ismael, Rabbi Chabbar, et. al.*

3. "The decisions of the Talmud are words of the living God. Jehovah Himself asks the opinion of the earthly rabbis when there are difficult affairs in heaven."—*Rabbi Menachem Commentary on Fifth Book*.

4. "Jehovah Himself studies the Talmud standing, he has such respect for that book."—*Tract Mechilla*.

5. "It is more wicked to question the words of the rabbis than those of the Torah."—*Mishna Sanhedryn* 11:3.

6. "It is forbidden to disclose the secrets of the law. He who would do it would be as guilty as though he destroyed the whole world."—*Tekum Chadaiz*, 171; 3.

7. "Every goy who studies the Talmud and every Jew who helps him in it, ought to die."—*Sanhedryn*, 59a, *Aboda Zara* 8-6, *Sugya* 13.

8. "To communicate anything to a goy about our religious relations would be equal to the killing of all Jews, for if the goyim knew what we teach about them they would kill us openly."—*Libbre David* 37.

9. "If a Jew be called upon to explain any part of the rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death."—*Libbre David* 37.

10. "A Jew should and must make a false oath when the goyim asks if our books contain anything again them."—*Suaaloth-Utsabot, The Book of Jore Dia* 17.

11. "The Jews are human beings, but the nations of the world are not human beings but beasts."—*Baba Metia* 114, 6.

12. "When the Messiah comes every Jew will have 2300 slaves."—*Simcon Haddarsen*, fol. 56-D.

13. "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."—*Midrash Talpiot*, p. 225-L.

14. "As soon as the King Messiah will declare himself, He will destroy Rome and make a wilderness of it. Thorns and weeds will grow in the Pope's palace. Then He will start a merciless war on non-Jews and

will overpower them. He will slay them in masses, kill their kings and lay waste the whole Roman land. He will say to the Jews: 'I am the King Messiah for whom you have been waiting. Take the silver and gold from the goyim.'"—*Josiah* 60, 6. *Rabbi Abarbanel in Daniel* 7; 13.

15. "A Gentile girl who is three years old can be violated."—*Aboda Sarah* 37a.

16. "A Jew may violate but not marry a non-Jewish girl."—*Gad. Shas*. 2:2.

17. "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—*Nadarine*, 20, B; *Schulchan Aruch, Choszen Hamizpat* 348.

18. "A Jew may misuse the non-Jewess in her state of unbelief."—*Maimonides, Jak. Chasaka* 2:2.

19. "If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—*Tosefta, Aboda Zara* 8, 5.

20. "It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces."—*Schulchan Aruch, Choszen Hamizpat* 388.

21. "Thou shalt not do injury to thy neighbor, (Bible), but it is not said, 'Thou shalt not do injury to a goy.'"—*Mishna Sanhedryn* 57.

22. "When you go to war do not go as the first, but as the last, so that you may return as the first. Five things has Kanaan recommended to his sons: 'Love each other, love the robbery, hate your masters and never tell the truth.'"—*Pesachim* F. 113B.

23. "A Jew is permitted to rape, cheat and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—*Schulchan Aruch, Jore Dia*.

24. "A Jew may rob a goy—that is, he may cheat him in a bill, if unlikely to be perceived by him."—*Schulchan Aruch, Choszen Hamizpat* 348.

25. "If a goy wants a Jew to stand witness against a Jew in a Court of Law, and if the Jew could give fair evidence, he is forbidden to do it; but if a Jew wants a Jew to be a witness in a similar case against a goy, he may do it."—*Schulchan Aruch, Choszen Hamizpat* 28, Art. 3 and 4.

26. "Those who do not confess the Torah and the Prophets must be killed. Who has the power to kill them, let them kill them openly with the sword. If not, let them use artifices, till they are done away with."—*Schulchan Aruch, Choszen Hamizpat* 425:5.

27. "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards peo-

ple of other tribes. He may act contrary to mortality, if profitable to himself or to Jews in general."—*Schulchan Aruch, Choszen Hamizpat* 348.

28. "Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—*Schulchan Aruch, Choszen Hamizpat* 388.

29. "How to interpret the word 'robbery.' A goy is forbidden to steal, rob, or take women slaves, etc., from a goy or from a Jew. But a Jew is NOT forbidden to do all this to a goy."—*Tosefta, Abda Zara* VIII, 5.

30. "On the house of the goy one looks as on the fold of cattle."—*Tosefta, Erubin* VII, 1.

31. "All vows, oaths, promises, engagements, and swearing, which, beginning this very day or reconciliation till the next day of reconciliation, we intend to vow, promise, swear, and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows, and our oaths no oaths at all."—*Schulchan Aruch, Edit. I*, 136.

(The Jewish Kol Nidre ("All Vows") Oath has been set to a morbid Jewish music, and is often heard on the radio. It is sung as a chant at each Yom Kippur [Jewish New Year] service. [September 17]).

32. "Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings."—*Schulchan Aruch, Orach Chaim* 14, 20, 32, 33, 39. *Talmud Jebamoth* 61.

33. "A Jewish mid-wife is not only permitted but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But it is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—*Schulchan Aruch, Orach Chaim* 330.

34. "At the time of the Cholerae the transaction of any kind of business is forbidden. But it is permitted to cheat a goy, because cheating of goyim at any time pleases the Lord."—*Schulchan Aruch, Orach Chaim* 339.

35. "The Jews are strictly forbidden to cheat their brothers and it is considered cheating already if one-sixth of the value has been taken away from him. Whoever has cheated his brother has to return it to him. Naturally all that only holds towards

the Jew, to cheat a goy he is permitted and he is not permitted to return to him what he cheated him out of. Because the Bible says: 'Thou shalt not cheat thy next brother,' but the non-Jews are not our brethren, but as mentioned above, worse than dogs."—*Aruch Choszen Hamizpat* 227.

Is it necessary to give any more of these quotations, to show the average intelligent American citizen that these Jewish people are not to be trusted? There are thousands of similar passages in all of the Jewish writings, but after reading these few, they ought to be enough to bring these questions to the mind of patriots:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew legally and morally take the oath of Public Office?

How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

How can a Jew, being an Oriental, be given, any more rights than are being given the Japanese or Chinese?

Did Benjamin Franklin Know Whereof He Spoke?

Mr. Charles Cotesworth Pinckney, one of the framers of the Constitution of the United States, published his diary in which he says:

"Dr. Benjamin Franklin, a venerable figure weighed down by years and wisdom, leaned one hand on his staff, the other on the table and said, 'There is a greater menace to these United States of America than the strictly Roman. . . .

"This greater menace, gentlemen, is the Jew!

"In whatever country Jews have settled in any great numbers they have lowered its moral tone; they have depreciated its commercial integrity; have segregated themselves; have not assimilated; have sneered at and tried to undermine the Christian religion upon which this nation is founded by objecting to its restrictions; have built up a state within a state, and when opposed have tried to strangle that country to death financially.

AN OPEN LETTER

Reproduced 1970 by

Write for our
catalogue of books.

On October 10, 1964, in the New Crusader, No. 18, page 3, there appeared an article called "The Bridgeport Riot", which is false and which hurt me very much.

Going by the democratic principle, so that you could inform your readers more truthfully, I am asking you to publish my article in the near future and place it approximately in the same spot as the one of October 10, 1964 called "The Bridgeport Riot."

When Hitler was organizing "The New Europe" and when his military forces were in native Lithuania, I was no idolator of his and the name of Quisling cannot be applied to me. There is the indisputable truth that there are too many quislings of the bloody communism. One of the more famous quislings of the bloody communism is Rev. Martin Luther King.

Of course, there are many of my brother Lithuanians who would fall into Rev. King's category.

And how I conducted myself under Hitler's military regime would not be very difficult for you to find out from the following persons, of course, if you are interested in the truth: Mr. Simon Zarkin, 5419 W. Van Buren, Chicago, Ill. 60644. Tel. 465-1521, and Mr. Hyman Feldman, 305 W. Fullerton, Chicago, Ill. 60614. Tel. 935-0957, Judge of the Municipal court. Both mentioned are Jews.

If the "Bridgeport Riot" were of my making, that would have been a great honor to me.

It's a pity that I found out about it only the following day from the newspapers. It would be an honor to me, because the so-called "riot" ended very smoothly: only one window was broken and there were only a few policemen's helmets damaged. Also, because the helmets are bought from taxpayers' money everything ended up like in the old tale - "Our potatoes - Our pigs." There were worst endings to those revolutions which were not organized by me, but which were organized by the Jews, such as in Rochester, New York City and, of course, the one near Chicago.

The losses in these were counted in millions of dollars. Who will pay for them? The taxpayers, who else?

It's true that I came to the United States from Munich, Germany, in 1951, legally, and I am now a fully pledged American Citizen, but millions of Jews came to this country even before me and they are still coming, of course illegally.

I told not one that we shall chase the Negroes out of Bridgeport. I was not even thinking about that, because I do not hate Negroes and I don't have the slightest feeling of hate for them.

The way Hitler handled the Jews in Lithuania, I would not wish to a dog, much less human beings, including the Negroes, which I consider the same kind of people as others. My relationship with Negroes is very good. When I was arrested in 1962, and I was waiting for a verdict in the courtroom of Judge Hyman Feldman, I saved the life of a Negro who was sitting next to me. On the same day I and all the arrested Negroes were shipped to the prison (officially called the house of correction) and when I had my artificial leg off and I could not get up top bed, a Negro would lift me up there every time. For that I gave him all the cigarettes that I was getting, because I don't smoke. Nowadays, when I was walking downtown Chicago with sign on me selling true newspapers about communism

and their leaders, who do you think are my best customers? Of course, Negroes. They buy most of the newspapers from me that I sell and they are praising those newspapers for telling the truth.

The way Hitler was handling the Jews most of the people know by now; but only a handful of people know how the Jews were handling the Russians, and other people in Russia, even before Hitler's time. They handled them the same way as Hitler handled them! Even now the Jews are handling people the way Hitler handled them in the following countries:

In Palestine -- Arabs
In Lithuania -- Lithuanians
In Germany -- Germans
In Hungary -- Hungarians

and every other place where they have the top rung on the government ladder. They are handling people the same way that Hitler handled them. Maybe it happened that way, because Hitler was a grandson of a Jew and his right-hand man Eichmann was a real Jew, but a Christian.

Also we have to remember that the ones who took the Polish Officers to the Katyn Forest and shot them were ordered by the Rabbis. Communism is a tool of Zionism. Zionism is the Jewish Nazism, of course, a lot older than Hitlerism. Hitler was a student of Jewish communism.

The conversation about Mayor R. J. Daley, that your correspondent placed in the newspaper was correct, that is what I told him. And after I read that part of the article, I remembered a young man (most likely a Jew) who was talking to me on this theme (on Randolph and Michigan Ave.), but he did not tell me that he was a reporter, and that he wanted to place an article in a newspaper. The last statement that I made I will go into in more detail:

Chicago is not ruled by our elected Mayor R. J. Daley, but is ruled by the millionaire Jews and their (spiritual leaders) Rabbis. The Mayor is only their puppet, because in case something goes wrong there shall be someone to blame. The Jewish representative to Mayor Daley and the Mayor's boss is Colonel Jack Reilly. (About this gentleman (Mr. Reilly) I could write an interesting history.)

Not only Chicago, but the whole United States is ruled not by presidents (as people are thinking). The real rulers are Jews appointed by millionaires and Rabbis. If any of the presidents begin to disobey their Jewish Advisors, they are liquidated; good example is what happened to: John F. Kennedy, General Walker, and many others. Remember that all Revolutions, all outrages, all wars since the year of 1770 were organized by the Jews. All Wars at present, all massacres, attempts on life (General De Gaulle), Berlin's Wall and many other terrible happenings are executed by the Jews who in turn are lead and planned by their devilish Talmud Apostles Rabbis. President J. F. Kennedy was shot by Dallas Rabbis who in turn were ordered by their newly elected "King" Levi Eshkol (New Broom-Sweeps Cleaner). Young man Oswald was only specially trained, and prepared tool, who in turn was shot by Maxwell Street Jew named Rubinstein (Ruky) (also ordered by Rabbis), so that the true offenders would not be betrayed. By any means I am not saying that all of the Jews of Maxwell Street are murderers, but by the same token Rubinstein is not the only one that falls into the murderers' category. But there is no guarantee that some of them who are still running their businesses on Maxwell Street may be waiting for a similar order, therefore, we have to watch out for all of them.

I don't believe I ever said, and I did not read in any book which stated that all the Jews are communists, but there is an indisputable fact that all of the spies (not only in the United States but in the whole world) are Jews. I know a few Jews who are truly anti-communists, but they could be spies without

knowing it for themselves — the Rabbis require that from them (to be spies).

I am always talking about it, but with this writing I am confirming that 90 percent of all the Rabbis are the "Fuhrer" leaders of communism. Communism is the religion of Jews (Rabbis).

Hundreds of years ago, the Jews (purchasers of slaves) were catching free Negroes in Africa and conveying them to the United States and was selling them like animals and therefore themselves became millionaires.

Nowadays, the free children and the grandchildren of the former slaves are being instigated against the White peoples. Torments and the price of Negroes' blood are trying to make the United States and the whole world a communistic inferno.

All that I write here is very true and every truth-seeking citizen could prove it for himself by reading the following truth-telling books and magazines, which are written by educated persons and whose books and magazines are criticized by nobody because of their truthfulness:

Those who never read any of the listed literature are complete illiterates in the field of communism, even if they were genuises in other branches of science. If the above listed literature is studied carefully, it would be equivalent to a grammar school education in the field of communism. For more advanced studies on communism anyone can find more literature. Remember T I B E T !

Even if your newspaper reporter was not at my house, he wrote the truth by saying that I have at my place a lot of good literature which is giving the pure facts and not by any means "hate agitation and propaganda" as he wrote in the article of October 10, 1964. Truth is not hate, but a lie is hate for sure.

If anyone finds that the literature distributed by me or any other book is not telling the truth, one is welcome to criticize me or it through newspapers by stating the name of the literature, it's address, newspaper number and article, and their kind of criticism. Mail to me, and I will be very thankful. In this case it is essential to list the name of the literature and the addresses on which the criticism is based. Up until now I have not seen any criticism on any of my distributable literature but I have heard a few curses. Curses are not criticism. Nobody criticized me in newspapers for distributing the truth-telling literature, but I have seen many articles in newspapers praised. The most important thing is that by distributing truth-telling literature (which is not obtainable at any other place in Chicago), I am making a living for myself, because I cannot get another job because of being an invalid even though I am a lino-type operator by trade.

Also I am distributing my literature by mail. Whoever sends me a dollar or 2 so, I in turn mail him for the whole amount all kinds of literature. Heavy books I do not distribute. Almost every beautiful day I walk in downtown Chicago with the Sign on my back and front which reads: Communism is treason! Fight it with Common Sense! Buy it here! Victim of communism! (see *National Christian News*, No. 5, page 4.

There is the indisputable fact that I was a Partisan (Underground Freedom Fighter). It was disclosed to Judge Hyman Feldman early in 1962 and there nobody denied it because I had two Jewish witnesses who knew about that very well.

Truthfully, I have many various and important literature from about 30 different places which anyone could obtain for a token price and be made a believer. All alone I wrote only a small page "Let's Fight Against Communism!" where I listed 31 addresses where the truth-telling literature can be obtained!

The value of that Page alone is greater than "Encyclopedia Britannica," regarding communism.

All the other literature distributed by me is written by other authors so truthfully that nothing can be added to them. Just distribute them.

I have written very little here. If you find my article of any value to you and if you need more information about my experiences, please do not delay to write me asking questions that are of interest to you. Then I shall write more about it in detail.

At the beginning of your article you mentioned the word "Quisling." I know that many of your readers do not understand what that word means. Please define that word more in detail to your readers.

If you have no expert in that category, I could define it for you.

If you print this article in your newspaper the way I have written it everything will be O.K., and there shall be no further pretensions on my part. Otherwise I reserve the right to take other actions.

Very truly yours,

Jesus foretells World Conditions when he comes back to Earth!

(They exist today)

And as it was in the days of
Noe, so shall it be also in the days
of the Son of man.
They did eat, they drank, they
married wives, they were given in
marriage, until the day that Noe
entered into the ark, and the flood
came, and destroyed them all.
Likewise also as it was in the
days of Lot; they did eat, they
drank, they bought, they sold,
they planted, they builded;
But the same day that Lot went
out of Sodom it rained fire and
brimstone from heaven, and de-
stroyed them all.
Even thus shall it be in the day
when the Son of man is revealed.
Luke 17:26-30

God A

And as it is appointed unto
men once to die, but after this
the judgment.

Heb. 9:27

The wicked shall be turned
into hell, and all the nations
that forget God.

Psa. 9:17

For all have sinned, and come
short of the glory of God.

Rom. 3:23

STOP AND THINK — YOU

But the day of the Lord will
come as a thief in the night; in the
which the heavens shall pass away
with a great noise, and the ele-
ments shall melt with fervent heat,
the earth also and the works that
are therein shall be burned up.

Seeing then that all these things
shall be dissolved, what manner of
persons ought ye to be in all holy
conversation and godliness.

Looking for and hasting unto
the coming of the day of God,
wherein the heavens being on fire
shall be dissolved, and the ele-
ments shall melt with fervent
heat?

II Peter 3:10-12

The Lord Jesus shall be re-
vealed from heaven with his
mighty angels,

In flaming fire taking ven-
geance on them that know not
God, and that obey not the
gospel of our Lord Jesus Christ.

II Thess. 1:7-8

Verily, verily, I say unto you,
The hour is coming, and now is,
when the dead shall hear the
voice of the Son of God: and
they that hear shall live.

John 5:25

HAVE TO MEET GOD SOON — ARE YOU
READY?

Know ye not that the un-
righteous shall not inherit the
kingdom of God? Be not de-
ceived: neither fornicators, nor
idolaters, nor adulterers, nor
effeminate, nor abusers of
themselves with mankind.

Nor thieves, nor covetous,
nor drunkards, nor revilers, nor
extortioners, shall inherit the
kingdom of God.

I Cor. 6:9-10

There shall come in the last days
scoffers, walking after their own
lusts.

And saying, Where is the pro-
mise of his coming? for since the
fathers fell asleep, all things con-
tinue as they were from the be-
ginning of the creation.

For this they willingly are ig-
norant of, that by the word of God
the heavens were of old, and the
earth standing out of the water
and in the water:

Whereby the world that then
was, being overflowed with water,
perished:

But the heavens and the earth,
which are now, by the same word
are kept in store, reserved unto
fire against the day of judgment
and perdition of ungodly men.

II Peter 3:3-7

Behold, he cometh with clouds; every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

Rev. 1:7-8

Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice,

And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation.

John 5:28-29

And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;

Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

And then shall they see the Son of man coming in a cloud with power and great glory.

Luke 21:25-27

Heaven and earth shall pass away, but my words shall not pass away.

But that day and hour knoweth no man, no, not the angels of heaven, but my Father only.

But as the days of Noe were, so shall also the coming of the Son of man be.

For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark.

And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

Then shall two be in the field; the one shall be taken, and the other left.

Two women shall be grinding at the mill; the one shall be taken, and the other left.

Watch therefore: for ye know not what hour your Lord doth come.

Matt. 24:35-42

caption.

Referenced airtel stressed the need for accuracy in submit-
ting total membership figures for extremist organizations and necessity
for including accurate figures in the annual reports pertaining to the
organizations.

Referenced report indicates state organizers and/or other
members or activities have existed within territories covered by
recipient offices except for St. Louis. A review of the FD-405s
submitted during April, 1973, for the month of March, reveals member-
ship figures for areas covered only by Atlanta, Baltimore, Cincinnati,
Jackson, Louisville and St. Louis.

St. Louis should promptly furnish Atlanta pertinent data
concerning membership within Missouri.

All recipients should be guided by instructions in referenced
Bureau airtel. It is essential that membership data to be submitted
for FD-405 for the month of June, 1973, to reach the Bureau during
7/73, is accurate.

Fellow White Christian American:

Recently five members of our brave Youth Corps were arrested in North Riverside, Illinois and charged with interfering with traffic control devices because they allegedly placed "Communism is Jewish" stickers on stop signs.

The judge at the trial of three of the young men allowed a Christ-hating Jew representing the Anti-Defamation League of B'nai B'rith to address the court and the judge sentenced the youths to a fine of \$100.00 each plus one year probation.

On November 14, 1972 the other two members of the group face trial on the same charges.

We are forced to appeal to the membership of our chapter for financial help to aid these valuable, courageous young men.

Please help the party by helping these high school youths who have been victimized by this "jewdiciary." Send your donation with the coupon at the bottom of this letter.

Yours for God, race and country,

NATIONAL STATES RIGHTS PARTY

A source advised as follows on June 25, 1973:

The 1973 National States Rights Party (NSRP) Convention was held in Jacksonville, Florida, on Saturday, June 23, 1973. The convention was held at the new Carpenters Hall after the city of Jacksonville was enjoined by an order issued in U. S. District Court, Jacksonville, Florida, from renting the civic auditorium to the NSRP.

A source has described the National States Rights Party (NSRP) as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

The convention was called to order at 2:00 p.m., by NSRP party chairman J. B. Stoner, with approximately 175 people in attendance. The supper break was held from 5:00 to 7:00 p.m., and the convention reconvened with only about 75 people in attendance. Most of the 100 who did not come to the evening session were local people who attended the afternoon session more out of curiosity rather than a genuine interest in the activities at the convention. The 75 people at the evening session, source felt, were members of right-wing organizations and represented the hard-core element at the convention.

During the convention, speeches were made by Dr. [redacted] of Texas; [redacted] of Mississippi; and [redacted] (phonetic) from Jacksonville. All these

speakers gave anti-Semitic, anti-Negro talks urging conditional violence. Stoner and Dr. Edward R. Fields, party secretary, also gave speeches anti-Semitic, anti-Negro in nature, but both stopped short of urging conditional violence. Stoner also took the opportunity to announce his candidacy for the Lieutenant Governorship of the State of Georgia next year. This announcement was very well received by those in attendance. Stoner termed this his "convention of love" and blew kisses to the audience.

The source defined the term "conditional violence" as violence which occurs after a pre-determined condition is met. Source stated such violence would be considered primarily self-defense. It may, however, be aggressive action which occurs as the result of aggressive action on the part of others, even though the aggressiveness of others may not be directed at you.

Dr. [] from Texas, in his speech, called for former Ku Klux Klan members and Minutemen members to support and cooperate with the NSRP. [] from Kentucky, in his speech, equated membership in the NSRP with membership in the church. [] also announced that with Stoner's approval he will run candidates for public office next year in Kentucky on the NSRP ticket.

The Minutemen is a paramilitary group organized in June, 1960, by Robert B. DePugh in Norborne, Missouri, as a resistance to the spread of communism in the United States by use of guerrilla tactics. DePugh was paroled from the U. S. Penitentiary in Atlanta, Georgia, on April 30, 1973, where he was incarcerated serving a sentence for violation of the Federal Firearms Act.

b6
b7C

[] of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), State of Michigan, and recently convicted of the firebombing of ten school buses in Pontiac, Michigan, was in attendance at the convention.

NATIONAL STATES RIGHTS PARTY

[] stated that he expects to receive a ten-year prison sentence when he comes up for sentencing. [] plans while in prison to start a white Christian racist church and train missionaries from the prisoners there "to be the most militant, swinging missionaries ever seen". [] equated the bus burnings to the Boston Tea Party and expects the spark set by the burnings to ignite into a revolution. [] hopes to spend his time in prison radicalizing the white prison population.

b6
b7C

The United Klans of America, Inc., was chartered in 1961 in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

Shortly after the evening session reconvened, an election to the Executive Board of the NSRP was held. The following were unanimously elected:

EXECUTIVE BOARD

[] Jacksonville, Florida
[] Jacksonville, Florida
[] Kentucky
[] Richmond, Virginia
Ned Dupes, Knoxville, Tennessee
[] Atlanta, Georgia

b6
b7C

J. B. Stoner and Dr. Edward R. Fields were unanimously elected chairman and party secretary respectively.

The following changes in party philosophy may begin to emerge in the near future:

(1) That the Government of the United States has already been taken over by the intellectual communist conspiracy as opposed to the former party line that the takeover was imminent.

(2) Non-use of the word conservative and increasing use of the word radical to describe the NSRP.

NATIONAL STATES RIGHTS PARTY

Platform changes are in preparation by the Executive Committee.

Source stated that morale at the convention among the members present was low due to the last minute change in sites and the fear of an imminent attack by bands of blacks.

Source also got the impression from remarks passed that the financial condition of the party was not good.

The convention was adjourned at 10:00 p.m., with no reported incidents of violence.

(CG T-3, 4/12/73)

On May 20, 1973, a meeting of the NSRP was held at Columbia Hall, 1700 West 48th Street, Chicago, Illinois. The rally had called for a speech by one [redacted] an NSRP official from another state. [redacted] did not show up and his place was taken by one [redacted] an NSRP chairman from Kentucky. [redacted] began by speaking out against the Negroes, Jews, and Communists. He talked about the grain being sold to Russia and the high cost of food and that all big business is controlled by Jews. He also stated that the Negroes are getting everything on Welfare and that the Jews want it that way so that they can control the votes. He also stated that Jews have been linked with the Communists all throughout history and stated that all atomic spies except one were Jewish. He also stated that narcotics are being brought into white schools by Negroes and that while Martin Luther King, Jr. was hiding behind the code of civil rights, he created the burning of our cities and left violence in the streets all across America. He urged the recruiting of members across the nation to build a strong organization for the white man to regain control of society.

NATIONAL STATES RIGHTS PARTY

1973: A source advised as follows on June 25,

The National States Rights Convention for 1973 was held at the new Carpenter's Hall in Jacksonville, Florida, from 2 p.m. to 9:40 p.m. on Saturday, June 23, 1973. There were approximately 150 members and guests for the early session, ending at 5 p.m., and about 75 were present for the late session from 7 p.m. until 9:40 p.m.

A source has described the National States Rights Party (NSRP) as an anti-Negro, anti-Semitic, white racist political party composed of past members of klan-type organizations and other right-wing groups.

[redacted] party official, was the first speaker. He discussed his NSRP meetings in Chicago, St. Louis, and North Carolina.

J. B. Stoner, party Chairman, spoke concerning the suit brought against the NSRP preventing the organization from using the Jacksonville Auditorium previously leased, on behalf of Yvonne Cason, a Negro mother of seven children. Stoner promised to appeal the case. Stoner's speech was anti-Jewish and anti-Negro, and he indicated the NSRP would seek its goals through legislative process. He urged all members to support any white racist candidate in their areas regardless of party affiliation.

b6
b7C

[redacted] of Toronto, Canada, was the guest speaker. He said he fought in Canada before World War II to stay out of the war and was imprisoned for 53 months for his efforts. He represented the

NATIONAL STATES RIGHTS PARTY

NSRP publication "The Thunderbolt", during legal hearings in Canada, which sought to ban the paper in that country, but Taylor stated the paper is being distributed in Canada at this time.

[] spoke briefly concerning the formation of the NSRP. [] is from Atlanta, Georgia.

Reverend [] of Pontiac, Michigan, told of his trial in Pontiac in which he and others were charged with conspiracy to bomb school buses. Miles expected they would be sentenced shortly and would probably receive a ten year sentence. If they were all sent to the same prison, they would stick together and form their own white church. If they were separated, they would each form their own white church.

b6
b7C

[] from Jacksonville, Florida, spoke about sex crimes being committed by black inmates against white inmates at the Florida State Prison, Starke, Florida. He urged protest picketing at the prison.

A Mr. [] from Texas spoke saying he was a personal friend of Robert DePugh, head of the Minutemen. He urged everyone present to join the Minutemen organization.

The Minutemen is a paramilitary group organized in June, 1960, by Robert B. DePugh in Norborne, Missouri, as a resistance to the spread of communism in the United States by use of guerrilla tactics. DePugh was paroled from the U. S. Penitentiary in Atlanta, Georgia, on April 30, 1973, where he was incarcerated serving a sentence for violation of the Federal Firearms Act.

NATIONAL STATES RIGHTS PARTY

The general tone of the speeches were all anti-Negro and anti-Jewish.

The following persons were in attendance at the convention:

J. B. Stoner
Ned Dupes
Dr. E. Fields

(After 7:00 p.m.)

(After 8:00 p.m.)

The nominating committee began meeting at 7 p.m. and about 30 minutes later announced the names of candidates for NSRP offices, who would serve for a four year period. E. R. Fields read the names very quickly and then asked for approval with a show of hands; there were no opposing votes cast. The new officers are as follows:

After their election, each officer gave a short speech of acceptance.

On June 25, 1972, a second source advised as follows concerning the NSRP Convention held on June 23, 1973, at Jacksonville, Florida:

J. B. Stoner announced his candidacy for Lieutenant Governor of the State of Georgia. He commented that Negroes could get what they want and criticized the FBI, and stated the FBI pimps were probably in the group. Stoner's main theme was against Negroes and Jews.

Dr. Edward Fields, Editor of "The Thunderbolt", also stressed anti-Negro and anti-Jewish policy, and another speaker, including a Mr. Brown from Texas, and an unknown person from Chicago, spoke against Negroes and Jews.

NATIONAL STATES RIGHTS PARTY

There was no violence or demonstrations during the convention.

Nazi - National Socialist White Peoples Party

It seems that the NSWPP is in dire financial trouble as it's leader, Matt Koehl put out a special letter on 23 July, 1973 in which he makes an appeal for money. He states that the Internal Revenue Service is demanding immediate payment on back taxes and that if the money isn't forthcoming by the end of the month that the NSWPP may lose their Hq. Bldg. He also states that he has lost one of his best men because he was unable to pay him a decent wage. The Letter also has the usual amount of run-down on what is happening in the U.S.

Future Leaders of America, Inc.

A new radical right wing organization is now arisen to push for funds from the gullable. The Future Leaders of America is sending out a packet of propaganda to a mailing list of known right wing donaters. It is headed by [redacted] of Colorado Springs, Colorado. In his personal message he claims to be decended from a signer of the Declaration of Independence, James Smith. He also claims to be the spirit of Cleisthenes. It appears from all of his claims that he is a re-incarnation nut. He calls himself, [redacted] Unfortunately there are many hooks in the right wing that will agree with him on several of the issues (none new to the right wing) and give him financial support and also send in the protest to the U.S. Congress that is enclosed with the other crud.

The NSRP group at P.O. Box 11018, Cincinnati, Ohio are putting out leaflets on a nation-wide basis. One is on fluoridation. This subject has a special appeal to the kook groups in the right wing.

Robert Boliver DePugh

At DePugh's request, [] sent him photocopies of all of the correspondence between [] (Brentwood, Maryland) that was exchanged during DePugh's stay in prison. [] also sent DePugh copies of tapes exchanged between [] and Stephens as well as tapes of phone calls from []. [] says that he did this because DePugh is still recognized as a leader in the right wing and [] heads a group that is almost just a paper organization with less than a dozen members. It was a matter of choosing between the two of them and [] says that he feels that he should back a leader, not a failure. DePugh has expressed views that he may someday rise to head the right wing when all others have failed. This view has been expressed since he was released from prison.

Washington Observer

The Washington Observer has put out a list of right wing organizations. This list puts them in catagorical order in groups that the WO considers how the organizations stand. This will be quite upsetting to many of the groups as the listings are very critical of many of the groups and organizations. Many are condemned very ~~extremely~~ critically. This listing mailed out to subscribers of the WO should get some radical reaction from the groups listed. The stir created by the listings will work against the WO in the groups of people that support both the WO and the groups criticized. Carlo, head of the WO may have goofed in his attack on the other groups. His WO is already unstable financially.

Suggested Predication for Investigation of Organization

This investigation is based on information which indicates that the National States Rights Party (NSRP), is engaged in activities which could involve a violation of Title 18, U. S. Code, Section 241 (Conspiracy against rights of citizens); Section 245 (Federally protected activities); Sections 231-233 (Civil disorders); or 2101-2102 (Antiriot Laws).

The NSRP, formerly known as the United White Party, was organized in 1957 at Knoxville, Tennessee, and is based upon the concept of being opposed to all "race mixing organizations and individuals." The July, 1958, issue of the "The Thunderbolt," self-described as the "official racial nationalist organ of the NSRP," reported that rank-and-file "States Righters" had merged with the United White Party under "The banner of the NSRP." The organization supports and follows its official line of hatred against the Jews, Negroes, communists, and certain law enforcement agencies,

Re: National States Rights Party

especially the Federal Bureau of Investigation. The organization carries out its line of hatred through the use of propaganda media and provocative demonstrations.

The national leaders of the NSRP have repeatedly and publicly urged the expulsion of all Jews and Negroes from the United States. On 9/1/68, following a NSRP rally at Berea, Kentucky, members of the NSRP and members of the local Negro community engaged in a gunfight in which one member of the NSRP and one Negro male were killed. The gunfight, which ensued following the rally, was attributed to anti-Negro remarks made by leaders of the NSRP at the rally.

On 12/20/71, J. B. Stoner, National Chairman, presided over a "Patriotic Rally" of the NSRP at Tampa, Florida, and made a speech advocating the killing of Jews, the deportation of Negroes, and "doing away with FBI pimps." On 4/10/73, at an NSRP meeting held at Garland, Texas, Stoner made a speech in which he attacked the Federal Bureau of Investigation, made scurrilous remarks about the Negroes and Jews, and stated that the NSRP advocated the repeal of all civil rights laws. In another speech on 5/4/73, Stoner and [redacted] Virginia State Organizer of the NSRP, made speeches at a meeting of the NSRP at Richmond, Virginia, at which they warned of the danger of communism and the alleged plot of the Negroes and Jews to corrupt the white race. The leaders of the NSRP travel extensively throughout the United States and utilize interstate communications in the furtherance of their activities.

Re: National States Rights Party

Following this statutory citation, make a statement substantiating subject's reported activities within the NSRP as well as a brief characterization of the NSRP as outlined above.

As the NSRP has engaged in provocative demonstrations apparently intended to create a confrontation with established authorities and/or opposing political groups, all activists should be the subject of full field investigation. In the case of a person attending a NSRP function where the particular function and/or participation involves a possible violation of the Federal law, the person attending the function should be considered an activist and the predication for the investigation of this individual is the one set forth above.

Results of the investigation should be submitted in form suitable for dissemination with the appropriate recommendations.

In addition to the above enumerated statutes cited in the predication, each office should be alert for possible violations of other Federal statutes on the part of NSRP.

Persons who merely attend NSRP functions should not be the subjects of investigation or preliminary inquiry unless the above described activities are present.

Statutory Predication

This investigation is based on information which indicates that the National States Rights Party (NSRP), is engaged in activities which could involve a violation of Title 18, US Code, Section 241 (Conspiracy against rights of citizens); Section 245 (Federally protected activities); Sections 231-233 (Civil disorders); or 2101-2102 (Antiriot Laws).

The NSRP, formerly known as the United White Party, was organized in 1957 at Knoxville, Tennessee, and is based upon the concept of being opposed to all "race mixing organizations and individuals". The July, 1958 issue of the "The Thunderbolt," self-described as the "official racial nationalist organ of the NSRP", reported that rank-and-file "States Righters" had merged with the United White Party under "The banner of the NSRP". The organization supports and follows its official line of hatred against the Jews, Negroes, Communists, and certain law enforcement agencies, especially the Federal Bureau of Investigation. The organization carries out its line of hatred through the use of propaganda media and provocative demonstrations.

The national leaders of the NSRP have repeatedly and publicly urged the expulsion of all Jews and Negroes from the United States. On September 1, 1968, following a NSRP rally at Berea, Kentucky, members of the NSRP and members of the local Negro community engaged in a gunfight in which one member of the NSRP and one Negro male were killed. The gunfight, which ensued following the rally, was attributed to anti-Negro remarks made by leaders of the NSRP at the rally.

On December 20, 1971, J.B. STONER, National Chairman, presided over a "Patriotic Rally" of the NSRP at Tampa, Florida, and made a speech advocating the killing of Jews, the deportation of Negroes, and "doing away with FBI pimps". On April 10, 1973, at an NSRP meeting held at Garland, Texas, STONER made a speech in which he attacked the Federal Bureau of Investigation, made scurrilous remarks about the Negroes and Jews, and stated that the NSRP advocated the repeal of all civil rights laws. In another speech on May 4, 1973, STONER and [redacted] Virginia State Organizer of the NSRP, made speeches at a meeting of the NSRP at Richmond, Virginia, at which they warned of the danger of Communism and the alleged plot of the Negroes and Jews to corrupt the white race. The leaders of the NSRP travel extensively

CG 105-4630

throughout the United States and utilize interstate communications in the furtherance of their activities.

Chicago will continue to follow and report pertinent NSRP activities in the Chicago area to the Bureau and interested offices.

Report on the meeting of the Chicago Unit of the NSWPP

12/8/73 and 12/9/73

The meeting took place at the residence of [redacted] Chicago. It began at about 7:30 P.M. to 7:45 P.M. Most persons attending the meeting had left before 10:00 P.M.

Present at the meeting were Commander Koehl and his travelling companion [redacted] membership Secretary from the National Headquarters staff. Others present were from the Chicago Unit and the Chicago area. They were Mr. and Mrs. [redacted] and the one ex [redacted] supporter mentioned by name in the other report, [redacted] and some NSRP supporters who always show up when the Commander is in Chicago.

b6
b7C
b7D

Of course, the main speaker was Commander Koehl. He spoke mostly on the energy crisis and the support the United States is giving Israel. His contention is that we should support the Arabs rather than Israel. In this way the Arabs would not have to rely on the Communists for help, and of course fuel oil would be more abundant. The Commander also spoke of the recent successes of the different units on the West Coast and showed several newsclippings from the front page of one newspaper and a magazine article. These clippings were about the turmoil created at several school board meetings that were open to the public and the NSWPP attended. The Commander also urged everyone to give their support to the Chicago Unit.

[redacted] gave a small talk on the demonstration which was held earlier in the day in behalf of Rudolf Hess. He also mentioned that the Chicago Unit has been on many numerous literature distributions and urged that if any of those who are unable to distribute literature they should help those who are by contributing to the Unit so they are able to purchase more material. [redacted] pledged the Unit's loyalty to the Commander and the Party.

[redacted] gave his usual report on the activities of other units outside of the States.

As usual the monies were collected for the Chicago Unit's White Power Message Fund, Building Fund, and the Chicago Unit Fund (bail and literature). My best guess is at how much was received is about \$175.00. Usually more is taken in but due to the Christmas holidays everyone seemed to be a bit financially embarrassed.

b6
b7C
b7D

Prior to the meeting a vigil was held for Rudolf Hess at the Chicago Tribune Tower. Present on that demonstration was [redacted]

[redacted] and the ex [redacted] supporter. Mrs. [redacted] was present also who took pictures. The demonstration went smoothly without any incidents.

Sunday, December 9th, Commander Koehl was still in Chicago. Several persons went to [redacted] where the Commander and Reynolds stayed over ~~night~~ night. Those persons who were visiting with the Commander were [redacted] (NSRP). [redacted] gave \$30 to the Chicago Unit.

The Negro and Ape have all the above features in common. The White man has none of these Ape like characteristics. The White Man with his 45 ounce brain and thin skull (which closes late, allowing brain to develop) IS THE SUPERIOR RACE.

THE NEGRO IS STILL IN THE APE STAGE. THE NEGRO ACTUALLY IS A HIGHER FORM OF GORILLA. GOD DID NOT WISH FOR THE WHITE RACE TO MIX WITH THESE ANIMALS. TELL YOUR FRIENDS AND CHILDREN THESE SCIENTIFIC TRUTHS SO THAT COMMUNIST TEACHERS AND PREACHERS WILL NOT BE ABLE TO BRAIN WASH THEM WITH "THE BIG LIE" THAT ALL MEN ARE EQUAL.

Racial Peculiarities Of The Negro Brain

By William P. Pickett,
Historian

The frontal region of the Negro Skull has been repeatedly shown to be much smaller than that of the White. Considering this fact, the conclusion is reached that the Negro has a smaller proportion of the faculties pertaining to the frontal lobe than the White. The Negro then lacks reason, judgment, apperception, affection, self-control, will power, orientation, ethical and esthetic attributes, and the relation of the ego (of personality or self) to environment.

The conclusion is that the brain of the negro is smaller than the brain of the white, the stature is also lower, and the body weight is less, and any crossing of the two races results in a brain weight relative to the proportion of white blood in the individual. The skull capacity of the ne-

gro has been repeatedly demonstrated to be less than that of the White.

But to what end is it necessary to marshal facts, discuss theories, and draw conclusions to demonstrate what to the average observant American citizen is already a well established proposition, viz.---that the Negro, as he is found today, in our community is in all respects greatly inferior to the white man with whom he is brought into relationship and resulting competition. Self-evident truths require no argumentative demonstration. If there be those who, after observation and reflection, are not to be convinced of the truth of the foregoing statement as to existing negro inferiority and white superiority, then this work is not entitled to their serious consideration.

Famed Professor Says Average Negro Incapable Of 8th Grade Work

NEW YORK -- An honest professor who headed Columbia's Department of Psychology for 16 years says the average negro (whose I.Q. is 80.7) cannot go beyond a national-standard 7th grade curriculum.

The professor, Dr. Henry E. Garrett, says half the negroes can't go beyond 5th grade work. In addition, Dr. Garrett says, "Only 1% (110 I.Q. or above) of negroes are intellectually equipped to do acceptable work."

"Society is a product of the characteristics of persons, which in turn are a reflection of their physical dispositions. From this biological point of view, the Negro not only has his own fundamental emotional trends but his

intellect is basically different from that of whites, both quantitatively and qualitatively. His inferior scores on intelligence tests seem in inevitable consequence of his different kind of brain.

"Even if his brain were able to master Nordic civilization, there would be many points at which a difference in attitude and consequently a failure of understanding, would be bound to appear. Carried one step further, the argument may run East is East and West is West and never the twain shall meet."

The book was approved by California educators in 1935, back when "academic freedom" meant freedom to tell the truth.

NATIONAL STATES RIGHTS PARTY

A confidential source, who has furnished reliable information in the past, advised on December 28, 1973, as follows:

The NSRP is having a dinner on Friday, December 28, 1973, at 7:30 P.M., at the Prague Restaurant, 5928 West Cermak, Cicero, Illinois. The main speakers at this dinner will be Edward R. Fields, NSRP Secretary from Atlanta, Georgia, and [redacted] local NSRP leader. Dinner will cost \$6 and it will be an open meeting. It will be the first NSRP activity in Chicago in some time.

A source has described the NSRP as an anti-Negro, anti-Semitic, white racist "political party", composed of past members of klan-type organizations and other right wing groups.

Chicago NSRP members maintain Post Office Box 6665, but a small local following is presently inactive.

b6
b7C

The local members generally follow the NSRP line of anti-Semitism and they oppose the integration of Negroes.

On January 7, 1974, the source advised that the NSRP dinner was held as planned on December 28, 1973. About forty people, including Fields and [redacted] were in attendance. Seven were women and the rest men, mostly middle aged and older.

At the start of the dinner, Fields asked that everyone pay \$7 instead of \$6 for the meal in order to cover tax and tip.

After the dinner, Fields was the main speaker. He spoke mainly about the Jews and how now was the time to get people concerned about the fuel shortage and to blame the Jews for the troubles. Fields also spoke about how President Nixon was responsible for all the Jews in government and that Nixon should be impeached. Fields talked about his travels to Washington, D.C., with other people trying to visit Congressmen to persuade them to vote against aid to the Jews. Fields said most would not see him and his committee.

[redacted] spoke about his activities distributing bumper stickers stating "Oil Yes - Jews No" and copies of the NSRP newspaper, "Thunderbolt." [redacted] spoke only a short time since the main speech was by Fields.

After the speeches, NSRP stickers and copies of the "Thunderbolt" were sold to those who wanted to buy them.

The dinner was peaceful and quiet and there were no disturbances of any kind either inside or outside the restaurant.

IV. MEETINGS AND ACTIVITIES

No regular NSRP meetings are held in Chicago.

(CG T-1, 2/1/74)

On May 20, 1973, a public meeting of the NSRP was held at Columbia Hall, 1700 West 48th Street, Chicago, Illinois. The rally had called for a speech by one [redacted] an NSRP official from another state. [redacted] did not show up, and his place was taken by one [redacted] an NSRP chairman from Kentucky. [redacted] began by speaking out against the Negroes, Jews, and communists. He talked about the grain being sold to Russia and the high cost of food and that all big business is controlled by Jews. He also stated that the Negroes are getting everything on welfare and that the Jews want it that way so that they can control the votes. He also stated that Jews have been linked with the communists all throughout history and stated that all atomic spies, except one, were Jewish. He also stated that narcotics are being brought into white schools by Negroes and that while MARTIN LUTHER KING, Jr., was hiding behind the code of Civil Rights, he created the burning of our cities and left violence in the streets all across America. He urged the recruiting of members across the nation to build a strong organization for the white man to regain control of society.

b6
b7C

The next speaker was [redacted] who flanked [redacted] on the platform. [redacted] gave a history of events from World War, I, through the present time concerning Jews and communism. He also stated that Jews own most of the pornographic stores.

(CG T-2, 5/22/73)

On December 28, 1973, a public NSRP dinner was held at the Old Prague Restaurant, Cicero, Illinois, with about forty people in attendance.

EDWARD R. FIELDS, NSRP Secretary from Atlanta, was the main speaker after the dinner. He spoke mainly about the Jews and how now was the time to get people concerned about the fuel shortage and to blame the Jews for the troubles. FIELDS also spoke about how President NIXON was responsible for all the Jews in government and that NIXON should be impeached. FIELDS talked about his
